

Our Auction Baskets Are Back!

It's that exciting time of year again — our **Annual Auction Baskets** are making a return, and we can't wait for you to see what's in store!

These baskets are not only a fan favorite but also a **crucial part of our yearly fundraising efforts**. Each team is assigned a unique theme and contributes a basket filled with goodies and gifts reflecting that theme. From cozy nights in to outdoor adventures, there's something for everyone!

Here's how you can help:

We ask each team to donate a basket with a **minimum value of \$50** — and there's no maximum, so feel free to go big! The more creative and exciting the basket, the more buzz (and bids) it will generate. If you would prefer to simply donate the minimum/monetary value, please contact us and we can coordinate shopping/putting together a basket for your theme.

Donation Deadline: May 30th

Please make sure your basket is submitted to the clubhouse by this date so we have plenty of time to prepare for the big event!

Why it matters:

Every basket donated helps us raise vital funds that support Sequim Little League. Plus, it's a fun and meaningful way to show team spirit and community support.

Let's make this year's auction better than ever — thank you for being such an important part of our success!
